CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

BIO DRAIN

Drain Treatment

BIO DRAIN is a liquid biological product designed to break down and digest organic materials in all types of drains.. Used through a foaming gun. The foam ensures complete surface contact inside the drain for maximum results, and full bacterial break down of organic soils that can harbor bacteria.

Power packed foam eliminates manual scrubbing and scraping.

Safe around personnel, concentrate cannot spill or cause injury, burns or eye irritation.

Pleasant scent eliminates foul smelling odors.

Helps to liquify septic tanks and drain field solids.

PACKAGING:

2 x 1/2 gal/case (#1660F2)

PROPERTIES:

Color - Yellow	Rinsability - Excellent
Fragrance - Lemon	Fumes - None
pH - 7.0-10.5	Flash Point - None
Detergency - Excellent	Corrosive Factor - Not
Wetting - Excellent	Corrosive
Emulsification - Excellent	Shelf Life - 1 year

BAR CODE & CUBE INFORMATION:

Dimensions - 7.50 x 7.50 x 11.50
Weight - 9.5
Cube - 0.374
PKG/Layers - 40
Layers - 4
Pallet - 160
Hazardous - No
UPC Code - 10784331198656
