# CD PRO

Alkaline Degreaser

**CD PRO** is specifically designed to be used through automatic dispensing systems, ideal for use through a Master Blaster. Provides powerful cleaning and degreasing of floors, walls and equipment. CD PRO cuts through heavy grease, protein soils and removes blue film from surfaces.

Heavy duty, high foaming alkaline detergent readily removes greasy, oily soils.

Power packed foam eliminates manual scrubbing and scraping.

Solid product has 100% cleaning ingredients. No water or filler means very low use cost.

Sequestering agents soften water, prevent lime build-up, white films and water spots.

Safe around personnel, concentrate cannot spill or cause injury, burns or eye irritation.
