CONSERV SG55

Color Safe Bleach

CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

CONSERV SG55

Color Safe Bleach

CONSERV SG55 COLOR SAFE BLEACH is a solid, color safe oxygen bleach that is designed to remove stains, brighten fabrics and improve cleaning.

Enhanced oxygen system penetrates deep into fabric to lift and attack stains.

Promotes whiteness of whites and vibrant pastels with no harm to colored fabrics or the fiber itself.

Contains no chlorine or alkylphenols.

Contains biodegradable surfactants.

Certified by the U.S. Environmental Protection Agency's Safer Choice program and contains ingredients with more positive health and environmental characteristics than conventional products.

PACKAGING:

2 x 5.5 lbs/case (#7761S2)

PROPERTIES:

Color - White
Fragrance - None
pH - NA
pH, Use Solution - 10.0-10.5
Detergency - Excellent
Wetting - Excellent
Emulsification-Excellent
Hard Water Tolerance - Excellent

EPA certification does not constitute endorsement of this product. The Safer Choice label or Design for the Environment logo signifies that the product's formula, Sunburst Chemicals has represented it to the EPA, contains ingredients that meet stringent EPA criteria for effects on human health and the environment. EPA relies solely on Sunburst Chemicals Company, its integrity and good faith, for information on the product's composition, ingredients, and attributes. EPA has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any Sunburst Chemicals non-ingredient claims. EPA provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Safer Choice and Design for the Environment Standard and based on currently available information and scientific understanding.

DIRECTIONS FOR USE:

Remove cap and place container upside down in the dispenser bowl. Conserv SG55 Color Safe Bleach is automatically dispensed in the wash cycle. Your Sunburst Chemicals representative will program the use levels for your specific application.
