Hazardous - Yes

UPC Code - 10784331786815

SAFETY:

Read label carefully before use. For industrial and institutional use only. Keep out of reach of children. Harmful if swallowed. Causes severe skin burns and eye damage. For further information, consult the Safety Data Sheet.

CONSERV SG65 SOLID LAUNDRY DETERGENT is a one-shot laundry detergent with special ingredients to remove heavy grease and particulate soils from all fabrics. Contains water conditioners for a clean, bright wash. Safer for workers and the environment.

Super concentrated - powers out tough soils, odors and stains.

Specially formulated to remove oily and greasy soils.

Used in all water conditions.

Safer to handle.

Requires substantially less inventory and storage space.

Contains no alkyl phenols (APEs, NPEs).

Contains biodegradable surfactants.

Certified by the U.S. Environmental Protection Agency's Safer Choice program and contains ingredients with more positive health and environmental characteristics than conventional products.

EPA certification does not constitute endorsement of this product. The Safer Choice label or Design for the Environment logo signifies that the product's formula, Sunburst Chemicals has represented it to the EPA, contains ingredients that meet stringent EPA criteria for effects on human health and the environment. EPA relies solely on Sunburst Chemicals Company, its integrity and good faith, for information on the product's composition, ingredients, and attributes. EPA has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any Sunburst Chemicals non-ingredient claims. EPA provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Safer Choice and Design for the Environment Standard and based on currently available information and scientific understanding.

DIRECTIONS FOR USE:

Remove cap and place container upside down in the dispenser bowl. Conserv SG65 Solid Laundry Detergent is automatically dispensed in the wash cycle. Your Sunburst Chemicals representative will program the use levels for your specific application.
