

LIME-OUT

Lime / Scale Remover

CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

LIME-OUT

Lime / Scale Remover

LIME-OUT is a strong acid cleaner for deliming dish and pan washing machines, coffee makers, steam tables, sinks, stainless steel equipment, or any fixtures having lime film encrustation or water spots. It is not safe for use on aluminum, formica, or galvanized surfaces. Also removes rust stains from fixtures and equipment.

Effective on stainless steel, ceramic and glass.

Super concentrated ingredients provide maximum effectiveness.

Breaks down hard water scale on contact.

Safe to use on stainless steel - Contains no muriatic, hydrochloric, phosphoric or sulfuric acid.

Continued regular use helps your dishwasher, steam table, coffee maker and ice machine perform at maximum efficiency.

Non-foaming, no sharp odors or fumes.

Kosher Certified

Certified by the U.S. Environmental Protection Agency's Safer Choice program.

PACKAGING:

4 x 1 lb pouch (#663210)

PROPERTIES:

Color - White Powder	Hard Water Tolerance - Excellent
Fragrance - None	Rinsability - Excellent
pH - NA	Fumes - None
pH Use Solution - 2.1-2.9	Flash Point - None
Detergency - None	Corrosive Factor - None
Wetting - None	Shelf Life - Indefinite
Emulsification - None

EPA recognition does not constitute endorsement for this product. The Safer Choice logo signifies that the formula for this product, as Sunburst has represented to the EPA, contains ingredients with more positive health, safety and environmental characteristics than conventional cleaners. EPA/Safer Choice relies solely on Sunburst, its integrity and good faith, for information on the composition, ingredients, and attributes of this product. EPA/Safer Choice has not independently identified, i.e., via chemical analysis, the ingredients in the product formula, nor evaluated any of Sunburst's non-ingredients claims. EPA/Safer Choice expresses its judgment and professional opinion only as to the environmental and human health characteristics of the product, based on currently available information and scientific understanding.

DIRECTIONS FOR USE:

Dishwasher De-liming:

Drain and rinse dishwasher. Close drain. Turn detergent capsule upside down or remove capsule. Fill with hot water. Turn heater on. Add 1 packet of LIME-OUT to the dishwasher. Add 2 packets if heavy scale is present. Run machine for at least 10 minutes or longer for heavy scale build up. Drain. Rinse. Refill dishwasher. Return detergent and capsule to original position.
