

MATRIX

Solid Laundry Detergent

CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

MATRIX

Solid Laundry Detergent

MATRIX is a one-shot solid laundry detergent with special ingredients to remove heavy grease and particulate soils from all fabrics. Contains water conditioners for a clean, bright wash. MATRIX is a non-phosphate alkaline formulation. Safe and convenient form eliminates the potential hazard of employee injury by accidental contact with product.

Super concentrated to power out tough soils, odors and stains.

Specially formulated to remove greasy oils.

Used in all water conditions.

Safe to handle.

Requires substantially less inventory and storage space.

Non-phosphate.
