PREEM

Premium Pot and Pan Detergent

PREEM is a premium, high sudsing manual pot and pan detergent formulated to be mild to hands, while cutting baked on soils and grease. Leaves surfaces clean and film free.

Richer, thicker suds last longer, which saves both time and money.

Cuts through heavy baked on soil and grease on contact.

Formulated to be mild on hands.

Developed for hard or soft water usage.

Phosphate free.

Fluid enough to be used through proportioners on a sink mount.
