SOLID GREEN 40 Pot And Pan has been certified by the U.S. Environmental Protection Agency's Safer Choice program and contains ingredients with more positive health and environmental characteristics than conventional products.

High sud sing detergent for use in manual utensil, pot and pan washing operations.

Ideal for 3-bin-sinks.

Very effective in removing greasy soils from pots, pans and food preparation utensils.

Contains safer ingredients.

Contains biodegradable surfactants.

Contains no NPEs or high pH corrosives.

Kosher certified

EPA certification does not constitute endorsement of this product. The Safer Choice label or Design for the Environment logo signifies that the product's formula, Sunburst Chemicals has represented it to the EPA, contains ingredients that meet stringent EPA criteria for effects on human health and the environment. EPA relies solely on Sunburst Chemicals Company, its integrity and good faith, for information on the product's composition, ingredients, and attributes. EPA has not independently identified, that is, via chemical analysis, the ingredients in the product formula, nor evaluated any Sunburst Chemicals non-ingredient claims. EPA provides its evaluation only as to the product's human health and environmental characteristics, as specified in the Safer Choice and Design for the Environment Standard and based on currently available information and scientific understanding.
