EPA recognition does not constitute endorsement for this product. The Safer Choice logo signifies that the formula for this product, as Sunburst has represented to the EPA, contains ingredients with more positive health, safety and environmental characteristics than conventional cleaners. EPA/Safer Choice relies solely on Sunburst, its integrity and good faith, for information on the composition, ingredients, and attributes of this product. EPA/Safer Choice has not independently identified, i.e., via chemical analysis, the ingredients in the product formula, nor evaluated any of Sunburst's non-ingredients claims. EPA/Safer Choice expresses its judgment and professional opinion only as to the environmental and human health characteristics of the product, based on currently available information and scientific understanding.

## DIRECTIONS FOR USE:

For use in solid warewash dispensers only.

Unscrew cap to open. Place the container upside down in the dispenser. Detergent is now automatically dispensed into the dishmachine.

Consult your Sunburst Chemicals representative for proper, economical adjustments of the dispenser and use rate directions.
