# TIME SAVER

Biological Floor Cleaner

**TIME SAVER** is a mild, non-caustic general purpose cleaner for floors and all-purpose cleaning, that contains environmentally friendly ingredients. In addition to exceptional cleaning capabilities, the active biological ingredients continue to break down greasy soils for improved removal. Safe to use on all surfaces. Biological agents promote cleaning of drain lines when product is rinsed from the surface. Biological agents are not harmful and will not cause disease in employees using this product.

Bacterial action breaks down grease and oil for more effective removal by mopping.

Deep-cleans floors and grout by removing the grease and rime that collects in the pores of the floors surface.

Eliminates the greasy floor coating that causes slipperiness.

Improves freshness by controlling odors from residual organics packed into irregular floor surfaces and grout.

Eliminates the need for rinsing after mopping.

Degrades residual organic soils that help support insects and other unwanted pests.

Formulated with environmentally friendly ingredients.

## PACKAGING:

2 x 1 gal (#1030X2)

## PROPERTIES:

Color - Tan Liquid

Fragrance - None

pH - 8.0-9.0

Bacteria Specifications -  $5.4 \times 10^8$  cfu/ml (200 Bil cfu/gal)

Bacteria Type - Blend of Bacillus spores

Salmonella - Not Present

Shelf Life - 2 years at 35-95° F (2-35° C)

## BAR CODE & CUBE INFORMATION:

Dimensions - 12.75 x 6.5 x 12.5

Weight - 18

Cube - 0.6

PKG/Layers - 21

Layers - 3

Pallet - 63

Hazardous - No

UPC Code - 10784331103018

## SAFETY:

Read label carefully before use. For industrial and institutional use only by trained personnel. Keep out of reach of children. Causes eye and skin irritation. Harmful if swallowed. For further information, consult the Safety Data Sheet.

## DIRECTIONS FOR USE:

**Floors:** Add 1-2 ounces of product per gallon of water in the mop bucket. Mop floors being sure to wet all surfaces thoroughly. Scrub grout lines with a deck brush. Mop up excess water. Do not rinse with clean water.

**General Cleaning:** Add 1 ounce of product per gallon of water. Spray and wipe surfaces with a cloth towel, sponge or brush. Thoroughly rinse any food contact surfaces.
